

3rd August 2026

Good morning all,

It's that time of year again. The AGM meeting for this year is currently proposed to be held on **THURSDAY** 27 August 2025 at 7:30 PM.

The meeting will again be held on-line as per last year.

Proposed dates for this season's tennis competition for discussion at the meeting, are shown below.

I can also advise that as part of winding up the Newborough Tennis Club, the executive of the club have gifted the Association a substantial financial sum. How these funds might be used and administered will be discussed at the meeting. It is our suggestion that these funds could be administered to provide assistance to promote tennis in the area through funding lessons in schools and for coaching/club fees for hardship cases, as we having been using the grant funds over the last few years. The funds could also provide temporary assistance to assist with payments clubs, who may be struggling, or as short term loans to clubs. We suggest that to administer the funds, the Association's executive could be appropriately empowered to consider submissions and make decisions. Other suggestions welcomed.

Prior to sending out the formal agenda for the meeting, can you please advise me ASAP if there are any other issues that you would like discussed at the meeting. I would also appreciate any updated contact details, so that agendas, statements and minutes for the AGM can be sent to the right people.

Regards

Ray

Ray Bright

Secretary

Latrobe Valley Tennis Association

Round	Date	
1	Oct 10	School starts Oct 5th
2	Oct 17
